

The Kenyan School Project

Computers for Olemoncho School

October 2023 Newsletter

We are nearly there and you can help us reach our goal!

The Kenyan School Project is happy to report that we have nearly reached our goal of raising \$42,000 dollars for the Olemoncho Primary School Computer Program! Thanks to many generous donors we have raised \$36,000 and need only \$6,000 more to reach our goal!

This is such a worthy project which will have a huge impact on the next generation of children at the Olemoncho primary school. We recognize that these children must be trained in technology to compete in the job market, and this is why we launched the Computers for Olemoncho School fundraising campaign!

If you have not had a chance to be part of making this effort a success, please consider joining our campaign and make a donation now. With

your generous support we can reach our goal and 100% of the funds raised goes directly to the project.

Kenyan School Project is a unique organization pledging maximum impact and transparency to our community of donors.

- We are 100% volunteer run. That means that 100% of your donation goes to where it's needed.
- We develop relationships with schools and respond to the needs they identify.
- We track the progress and impact of our programs.
- Kenyan School Project is an IRS approved 501c3 organization so all donations are 100% Tax Deductible. Our tax ID # is IRS 27-1389269.
